Spring 2024 (Vol. 65)

The NDACAN Updata is your source for important Archive announcements.

NDACAN SPRING OFFICE HOURS

NDACAN has been hosting monthly Office Hours this Spring 2024 from 11am to 12pm EST on the third Friday of each month through May. The Office Hours are an opportunity to get support from our team and chat with other data users in an informal setting. The first 30 minutes are open time with breakout rooms with NDACAN staff to provide support for survey data, administrative data, statistical consulting, and networking. The second 30 minutes are dedicated to a specific theme, presentation, or workshop. Themes for office hours will change from month to month, so make sure to follow us on Twitter [@NDACAN_CU](#) and sign up for the NDACAN [CMRL list serve](#) for the latest topics. Regardless of your stage of research, our expert team is here to help. The events are free but advanced registration is required through the link provided below.

Office Hours Spring 2024 Schedule:

NDACAN curates its Twitter content to highlight the availability and research potential of NDACAN data holdings, trainings, and user support services for child welfare researchers. You are encouraged to follow our feed and tweet your publications or presentations at [@NDACAN_CU](#) to share the various ways that NDACAN is advancing the field of child welfare research.

CALL FOR DATASETS

Research has demonstrated an increased citation rate for publications whose investigators share data. Depositing your data with NDACAN can facilitate long-term preservation and provide researchers access to your data for secondary analysis. The Archive is seeking quantitative datasets to add to our collection. Please contact us (NDACANsupport@cornell.edu) if you have data or know of data that would benefit researchers, or check out the [Contribute Data](#) page of our website.

Are you a member of our Child Maltreatment Research List Serve (CMRL)?

The Archive moderates an e-mail list for discussions of research issues relevant to child abuse and neglect. To subscribe or to alter your subscription, visit our [CMRL](#) page.

NDACAN *Updata* Newsletter Subscription Preferences

NDACAN sends *The NDACAN Updata* e-newsletter to the CMRL membership, to our general mailings list, and to all active users of Archive datasets. If you would like to stop receiving general mailings, but still want updates about datasets that you're using, please [email us using this link](#). If you would like to stop receiving general mailings and no longer use any datasets, please [email us using this link](#).
